

**BOARD OF COMMISSIONERS
CITY OF DOTHAN, ALABAMA
REGULAR MEETING
JULY 19, 2016**

The Board of Commissioners of the City of Dothan, Alabama, met in regular session in the Commission Chambers of the Roy Driggers Municipal Building at 10:00 a.m., Tuesday, July 19, 2016 with the following members present: Mayor Mike Schmitz, Associate Commissioners Amos M. Newsome, Jr., Albert Kirkland, John Ferguson, Beth Kenward, and David Crutchfield. Commissioner Kevin Dorsey was absent. Also present were City Manager Michael West, City Clerk Tammy Danner, Assistant City Clerk Wendy Shiver who recorded the Minutes of the Meeting, and the local news media representatives.

Mayor Schmitz called the meeting to order. Pastor Clark Cornelius, Grace Anglican Mission Church, then led in prayer, afterwhich Commissioner Ferguson led in the Pledge of Allegiance to the Flag.

Mayor Schmitz announced that Commissioner Dorsey is out of town today.

Commissioner Kirkland moved that the Minutes of the Meeting of July 5, 2016, be approved, motion seconded by Commissioner Kenward and unanimously approved.

Mayor Schmitz invited Steve Hardwick to the podium to share a vision he has for our community. Mr. Hardwick, along with Glenda Coleman and Shan Ash, spoke about the Angel of Hope statue which was inspired by Richard Paul Evans' book *The Christmas Box* and explained that for parents who have endured the death of a child this statue provides a symbol of hope, a place to retreat, a place of healing, and a special place to grieve. Mr. Hardwick said he will raise the money needed to make and transport this memorial statue and he would like to place the statue in Dothan. He requested the City's assistance with providing a home for the statue, and he presented the idea of placement in Poplar Head Park, at the library, or another location deemed appropriate. Mayor Schmitz said we are a community of heart and compassion and this is a great project. City Manager West said we will be proud to have this statue placed here and he added that there may be an area available at the Opera House which has been designed for a memorial.

Commissioner Ferguson said he has received calls regarding solicitation taking place at homes and by other means and it seems some solicitors are becoming more aggressive. He said our ordinance is comprehensive and the public may not be aware of the regulations in place for this type of activity, such as the restricted hours of operation and other limitations. He asked if our media would be willing to help spread the word about this issue because if the public knows what is and is not allowed it will help curtail some of this activity.

Commissioner Ferguson said he has received calls regarding the influx of donation boxes popping up all over the city and his understanding is that some of these companies are selling the donated items for profit. He noted a recent instance where boxes were placed at a business without the owner's permission. He said he does not want to ruin the spirit of donation but does feel this should be managed so that it does not get out of hand.

Mayor Schmitz said he recently had the opportunity to go to the annual air show in London with some local business leaders. He said the President of CAE USA Inc., who is in the process of spending over \$80 million in a facility at our airport, introduced them to a number of companies they would like to see in Dothan and we truly believe this is the time for our airport to do expansions which will help to create first class jobs. Mayor Schmitz thanked the business leaders who attended the event for the hard work they put forth over those three days.

City Manager West made the following announcements:

- Graduation for the current class of the Junior Police Academy will be on Friday, July 22nd at 10:00 a.m. in the Dothan High School Auditorium and the public is invited to attend. This program has increased in popularity and may need to be expanded next year to accommodate the number of kids wanting to participate.
- The Dothan Police Department will host the 2016 National Night Out event on Saturday, July 30th from 4:00 p.m. until 8:00 p.m. at the Dothan Civic Center. This event is an effort to engage citizens with our police department and other area law enforcement and will include demonstrations, displays, and entertainment. The public is invited to attend.
- The new police firing range is being designed and constructed by Public Works Department Street Division and is expected to be completed before any activity begins at the Omussee Creek Wastewater Treatment Plant.
- A free bidder enrollment seminar will be held on Tuesday, August 9th at 9:00 a.m. in the City Manager's Conference Room for people who are interested in being on the City's bidder list.
- In response to questions raised regarding the keyless access control systems for all Fire Department facilities, Item #5 on the Administrative Meeting agenda will be held until clarification is provided and will be brought back for consideration within the next thirty days. With all of the activity happening around the country, there are some concerns about the security of our fire facilities and this keyless entry system will solve those concerns. There are other areas around the City that we may need to look at as well.
- Please keep Public Works Director Jerry Corbin, who is recuperating from an injury, and Leisure Services Director Elston Jones' wife, who is doing better but is still in ICU, in your prayers.

³ Bid invitations were sent to several Dothan companies. None of them chose to bid. They have an advantage in that a local 3% preference is available to them. Like all bidders, they may view a copy of the previous bid tabulation sheet to be competitive in their pricing. All Dothan companies invited to bid may not handle these types of bids; such as, Todd and Sons and Azar's Uniforms, which may only bid on Police dress uniforms instead of Leisure Services uniforms. Unifirst only handles uniform rentals. When bidders do not submit a "no bid", the City can take them off the bidder's list after 3 attempts by law. The City of Dothan chooses to leave them active because the City wishes to receive as many bids as possible to ensure the best prices for City purchases.

Commissioner Kirkland then moved for adoption of Resolution No. 2016-219, motion seconded by Commissioner Kenward and unanimously carried.
