LANE CLOSURES FOR RAILROAD CROSSING REPAIRS

Beginning Wednesday morning, July 16, 2008 at 8:00 am and continuing until later that afternoon, maintenance crews will be working on the railroad crossing near the intersection of Ross Clark Circle and S. Park Avenue. Temporary single lane closures on Ross Clark Circle are planned for the northbound and southbound directions of traffic. These lane closures will allow Chattahoochee Bay Railroad to make the necessary repairs. Motorists are asked to use extreme caution or avoid this area if possible.
