

iRECYCLE
Dothan, Alabama

What can be Recycled Curbside:

- Food & beverage cans (steel & aluminum such as vegetable, coffee, pet food, soft drink, pie pans, etc.)
- Plastics (drink bottles, shampoo bottles, milk, detergent, laundry, etc.)
- Paper (office paper, telephone books, newspaper, sales ads, magazines, catalogs, computer printout paper, etc.)
- Kraft paper (cereal/food boxes, paper towel roll holders, soft drink boxes, etc.)
- Corrugated cardboard boxes (pizza, moving, etc.)
- Cartons (milk, juice, beverage, etc.)
- Empty aerosol cans

What Can Not Be Recycled Curbside:

- Garbage / compost / trash
- Shrubbery, leaves, limbs, grass, tree stumps, etc.
- Glass of any kind
- Take-out or fast food containers / sandwich wrappers
- Styrofoam
- Carpet / furniture / electronics
- Insulation
- Hazardous materials (paints, lacquers, chemicals, etc.)
- Oil (gasoline, motor oil, cooking oils, etc.)
- Needles
- Plastic store bags/trash bags

How to Recycle Curbside:

- Pickup day will be the same as your garbage cart pickup day. The iRecycle crews will be looking for the **BLUE BIN**.
- Leave **3 feet of clearance** around the green garbage cart
- Crush all cans and containers if possible to conserve space
- Tie/bundle paper together in bin (or plastic bags)
- Corrugated cardboard should be broken down
- On rainy days, keep paper and cardboard until next pickup
