**Dothan Utilities Hurricane Michael Update Report  
October 15, 2018 at 4:10 pm**

Dothan Utilities has restored all major feeders and primary power lines. The outage management system will be cleared and reset as of 4:30 p.m. today, October 15, 2018. If you are without power, it is imperative that you call (334) 615-3302 so that your location can be documented for scheduling of work.

**Billy Mayes, Director Dothan Utilities**
